### **Written Testimony**

As a native Hawaiian who lives in the Moku O Koolaupoko, I strongly urge the council to approve the budget item agenda 5 for the Maunawila Heiau. This sacred place provides our community, families, students and visitors opportunities to learn of Hawaiian protocols, chants and stories of importance. Our community has been the stewards and caretakers of Maunawila but more important the archaeological artifacts provides significant amount of information. With the help of the council, together we can continue the cultural legacy of a very special place in our community.
